MISSIONS FOCUS: Foster the Bay Update

Our Missionaries, their health and ministries affected by Covid 19

Foster the Bay has partnered with 41 new churches in the Bay Area during 2020; 83 Foster Families took steps to become Resource Parents; 204 families/individuals committed to be Support Friends, 136 Children entered loving homes and 400+ Social Workers were served!

Foster the Bay extended its impact into three new Counties in the Bay Area - Contra Costa, Napa and Solano.

Foster the Bay (East Bay) has 45 partner churches, 30 foster families, 148 support friends, helping 55 children be placed in loving homes. During this year, requests were received for families to provide care for children who had been either diagnosed with or exposed to Covid-19; FTB families were willing to say "yes" each time, so these children were given loving places to stay.

There is the monthly prayer meeting on Zoom every 1st Monday of the month. At the time of this writing, the next one is Monday, January 4.
