

Missions Update

From bulletin: January 31, 2021

MISSIONS FOCUS: J&D, preparing for creative access work in 2021-22, Southeast Asia

Our Missionaries, their health and ministries affected by Covid 19

J & D are familiar with BACBC ministries. J taught at CCS years ago before marrying D. D grew up at BACBC as her parents have attended BACBC before she and her siblings were born. J grew up in a Christian home and realized after coming to faith at a CBM camp that his part in fulfilling the Great Commission was to go. They will be preparing to go to a creative access country in Southeast Asia to love, live and serve Muslims. Please contact them through email. (2021onward@gmail.com) Please do not post or mention anything about them on social media regardless of content whether public or private. Please pray as they prepare, embark in language and culture studies and look for the place where God would have them live.

*For their safety and security in preparation for their mission, we are not mentioning their last name or printing anything with their first names. Also, because social media is so accessible, no reference or mention to faith or Christian faith should be on their social media. In addition, do not mention them on any social media. (it might link back to yourself and what others post on yours)

The slide shown during service will be attached in both English and Chinese.

Highlights from their video:

- 1) Called to share God's love to Muslims who refer to Jesus Christ as "Isa al-Masih"
- 2) Summer 2021 start language and culture training – might be overseas, might be in US, depending on current situation (travel restrictions, etc.)
- 3) If overseas, they will tour the country to find a place to serve long-term (Fall 2021)
- 4) Hope to apply for work visas in 2022 and begin work in their location
- 5) Please connect with them via email: 2021onward@gmail.com; they may be hosting online chats to share further details

** they cannot proceed without funding (bacbc office note)*

Pray for God's guidance, wisdom, protection physically, spiritually, emotionally. Pray for their funding, future location, for true love for the people they will be living with, loving on, hoping for clear unhindered opportunities to impact lives for His Kingdom.
