**MISSIONS FOCUS: Update and Acknowledgement from those supported by the 2020 Christmas Love Offerings**

Our Missionaries, their health and ministries affected by Covid 19

Thank you for your generous giving to our Christmas offering. Acknowledgements from the organizations we sent part of our Christmas Offering (50% to BACBC Benevolence Fund, total received \$24.8 thousand).

**Building Futures (Midway Shelter):**

(♥) Pastor Steve & Congregation: We are **so** touched that you have chosen Midway. This money is **so** helpful - as we make important updates at the shelter this year to allow for social distancing and make facility improvements. (♥) Thank you!

**Alameda Homeless Network:**

Dear Friends,

It is with a great 'thank you' that I wish to acknowledge on behalf of the Alameda Homeless Network your very generous donation which is certainly welcome during these difficult times. So many routines and contacts have been so upended that these additional funds are most appreciated.

Your support is very encouraging as we continue to serve the women and children who come to us in search of help and support in order to move on into new and changed lives. We continue to be a leader in the county in finding permanent housing for their residents - the very positive result of wonderful support. Again, please accept our very sincere thanks on behalf of the Alameda Homeless Network.

Sincerely, Ginny Krutilek, Treasurer, Alameda Homeless Network

Warm Greetings!

In this challenging time, signs of our human connection make all the difference. Thank you for connecting with the adults and children Building Futures serves. Building futures received your generous donation and your gift is already hard at work helping vulnerable adults and kids stay safe.

With your support, Building Futures has expanded our services to our shelter residents and clients living with domestic violence or on the streets.

I'm proud of the way we've adapted and deepened the aid we provide. And proud to live in a community that "gets it" and steps forward to help when the going is tough.

Again, thank you. I sincerely hope you and your loved ones are faring well and finding comfort in this challenging time.

Ana Maria Mahiri

Director of Development and Communications
