MISSIONS FOCUS: New Ministry Organization to BACBC: Joyful Noise Xpress, Anthony & Isabella Chan

Our Missionaries, their health and ministries affected by Covid-19

From today's bulletin

joyful noise Xpress (jnX) is a missions organization. They use worship and music training to help believers cultivate a worshipful life that is pleasing to God.

Anthony Chan is the founder and leader of this ministry. Together with his wife, Isabella, they have taken teams to minister in 19 countries and regions in 4 continents in the last 20 years. Besides serving the Chinese churches, they have also done cross cultural missions work in North East India, Indonesia, The Philippines and Ghana. They have teams in Hong Kong, Canada, Macau and Land of Grace, which is a code name for a region that is hostile to the Gospel. In fact jnX (Hong Kong) and jnX (Canada) have already been registered as nonprofit group. You can check out their website, Facebook page, Instagram and YouTube channel.

jnX 音樂敬拜事工 (joyful noise Xpress) 是一個音樂宣教機構。

透過音樂和敬拜隊培訓，以生命影響生命，幫助信徒成為合神心意的敬拜者。

過去 20 年，創辦人陳志傑弟兄 (Anthony) 和太太 (Isabella) 曾帶領團隊前往 4 大洲 19 個國家和地區宣教服侍。除了服侍華人教會外，他們還在東北印度、印尼、菲律賓、加納等地做跨文化宣教工作。他們在香港、加拿大、澳門和「恩地」都有團隊，「恩地」是對福音封閉地區的代號。

事實上，jnX (香港) 和 jnX (加拿大) 已經在當地註冊為非營利組織。

您可以查看他們的網站、Facebook 頁面、Instagram 和 YouTube 頻道。

We are blessed to have them share this week (February 6) in our Cantonese and English Services and have them share next week (February 13) in our Mandarin Service.
