

MISSIONS FOCUS

From bulletin: November 6, 2022

Our Missionaries, their health and ministries affected by Covid-19

Jason Adams-Brown, West Coast Representative Global Gates

From today's bulletin / Missions Report from Missions Team

The month's mission focus is to pray as we support Jason Adams-Brown who is serving with Global Gates to reach the Afghan population in the Bay Area.

Please pray for the following requests:

- 1) Serving as West Coast representative replacing Tim Fortescue;
- 2) Outreach to Afghan refugees in the Bay Area to meet spiritual, physical and other needs;
- 3) Growth of Afghan Church in Fremont as believers are baptized and discipled;
- 4) Seeking God's leading in exploring trauma counseling ministry for Muslims.

Your prayers and gifts are making it possible to share the good news of Jesus Christ to those searching hearts of the Muslim community; one of the world's least-reached peoples.

From monthly letter from the Executive Director, David Garrison (September 2022)

Your gifts help us reach the ends of the earth through global gateway cities. I'm so grateful for you and thankful for your partnership with us as we share the life and message of Jesus with unreached peoples.

Eleven years ago, a handful of crazed Islamic militants flew passenger jets into the World Trade Towers. As the world watched in honor, millions of Muslims

around the world were stunned. We would never have guessed that God would use this terror to turn Muslims around the world to question their faith and search for a better answer.

Your Global Gates missionaries (Jason Adams-Brown) are offering them the message of a better way; the Way of Jesus Christ. Your prayers and gracious gifts are making it possible for us to share the good news of Jesus Christ with these searching hearts.

Thank you for joining us in this compassionate outreach into the lives of the world's least reached peoples.

Following are the slides shown in service as well as pictures of Jason, his family and some of the people he is reaching out to share the good news.

Thank you for reading about and praying for our missionaries, countries and people locally and globally!
