Pioneers, Creative Access Zones

From today's bulletin / Missions Report from Missions Team

Pioneers (SE Asia) – F and K are praying through a possible field change and the challenges that will result. They are also walking through some difficult times with teammates. Despite the situation, the team is experiencing good team dynamics, unity, and sweet times of fellowship. God continues to provide as the opportunity to teach at the Islamic University has been renewed. F also teaches Poetic Books of the Bible, Greek, and Islam at two Bible colleges and has many preaching opportunities. F and K also have many opportunities to counsel and disciple Bible college students.

September 2023

Thank you for giving generously to Pioneers missionaries!

We would love to share a glimpse of what God has done over the past 12 months with our Media Outreach campaign.

“Elias” grew up in a devout Muslim family in Morocco. He loved Islam but had questions that no one could answer. He looked for truth online and found media ads and websites that led him to Jesus!

After making this decision, Elias found it challenging to grow in his faith. “The hardest thing is I didn’t want to lie. I had to keep my faith but at the same time, I had to be careful what I was saying.”

Elias now serves with Pioneers, sharing the Good News with his fellow Moroccans who are seeking Jesus online.

His story is a powerful example how God is using digital media to transform lives. Since last October, more than 3,000 people like Elias have professed their faith in Christ, leading to 115 Bible study groups.

17 new Pioneer Media Outreach projects have begun and more than 100 digital outreach leaders across the globe were trained to increase their effectiveness.

Spring 2023 Report:

2023 Send Me Campaign is one initiative that is educating and training missionary candidates. Mr. “Riko” was a simple fisherman in Southeast Asia and his whole life changed when Jesus saved him. He led 10 of his friends to faith who went on to share the gospel with others and began a second-generation group of new believers. The continued to multiply and a seventh-generation discipleship group formed last year!
