Timothy Training International (TTi Asia) – TTI just completed 23 years of ministry and praises God for His provision. Their theological education programs were accredited and their online learning management system was set in place right before the pandemic hit. This has enabled TTI to continue to grow their educational ministry and they currently offer four Masters Degree Programs. Their student base is primarily in China but they have recently added students from Germany and France. Courses are also available to train and disciple lay leaders. This last quarter, their publishing ministry Inspirata released 100 e-books and their electronic library now has over 12,000 titles. Pray for Rev. Janson Chan and TTI as they seek to grow this ministry in this new year.
