Our Missionaries, their health and ministries affected by Covid-19

Taiwan Short-Term Missions, Great Commission Fund, Semi-Annual Missions report, January 2024

From today's bulletin / Missions Report from Missions Team

As we have completed our missions emphasis, this is also a reminder to sign up for our Great Commission Fund. Regular giving allows the World Missions team to plan and commit to support our missionaries at a certain level for the year. To sign up, you can find a form in the lobby along with a list of our current missionaries. If you did not receive the missions report given to church members, copies of that are also available in the lobby.

Our total Great Commission Fund (GCF) offering of \$28,858 for the six months ending December 31, 2023 was less than the total GCF support (disbursement) of \$33,900 in the corresponding period. As a result, the fund balance decreased by \$5,042 to \$89,601 as of December 31, 2023.

Note that the monthly deficit has been a trend for the past couple of years.

Designated gifts totaling \$3,250 received in the period were distributed to specified recipients as directed by donors. In September, a gift of \$2,000 was sent from the Special Projects Fund to Larry and Kathleen Leach in recognition of their retirement from missionary service. In December, gifts of \$1,000 each were sent to InterVarsity (Derek and Chelsea Jung) for their Rising Campus Staff Ministers program, Chinese Christian Mission (CCM) for their San Leandro Gospel Center, and Foster the City for their fundraising campaign to equip more churches to provide loving homes for children entering foster care.

We trust that more individuals and families will consider giving to missions - whether a one-time gift or a regular commitment.
